## Profile

I am self-driven, creative web designer based in Chicago, Illinois, looking for a full-time position in fast paced, challenging environment where I can utilize my skills in web design, graphic design and front-end development while contributing to the growth and long-term goals of a company or firm.

## Experience

### **Web Designer & Front-End Developer, Evolve Creative** -- Chicago, IL , July 2010 - Present

Responsible for front-end development using (x)HTML, CSS and Javascript, along with research, wireframing and visual design using Photoshop, Illustrator, Flash and Fireworks for internal company projects such as the Evolve Creative agency website, as well as company clientele including Woolite, Hinda Incentives and Alphabatics.com.

### **New Media Designer, Infina LTD** -- Vienna, VA & Washington D.C., March 2009 - April 2010

Responsible for visual design, art direction and front-end development for clientele within the federal sector such as the Department of Transportation and the Federal Judiciary Branch as well as internally with the Infina brand development team. Other duties included developing and strengthening the Infina brand through various web outlets such as blogs and newsletters along with design research, conceptualization, creating wireframe sketches and creative direction for web sites and other projects.

### **New Media Intern, CityBeat Magazine** -- Cincinnati, OH, June 2008 - December 2008

Responsible for visual design, art direction and motion design for web and print advertisements for the MidPoint Music Festival and LiteBrite Test, two annual music and film festivals held in Cincinnati, Ohio. Other duties included creating artwork for the weekly print and digital releases of the magazine and assisting the web department in their weekly website updates using HTML, CSS, Flash and Javascript.

## Education

**University of Cincinnati**, Cincinnati, OH — Bachelor of Fine Arts in Electronic Media, September 2004 - December 2008, Graduating GPA: 3.5/4.0

**Ludwig-Maximilians University**, Munich, Germany — Certificate of New Media June 2007 - September 2007, Overall GPA: 3.8/4.0

## Skills

(x)HTML, CSS, Actionscript 2.0, XML, Javascript, jQuery, Wordpress, Adobe Photoshop, Illustrator, Dreamweaver, Flash, Fireworks, InDesign, After Effects, Final Cut Pro  
Basic knowledge of MySQL, PHP, HTML 5, CSS3 and mobile web design,  
Fluent in Ukrainian, Conversant in Russian
